### **Help! When your late taxes are a crisis!**

What does a person do if they haven't filed taxes in several years or more? Or what does a person do if they have filed taxes and owes a large sum of money they do not have?

If you have ever had the IRS breathing down your back, you know it is definitely not fun and can be quite debilitating. With several million people owing money to or hiding from the IRS, that is a lot of quivering bodies.

But now, finally, help is on its way! A tax book written for the people.

Gary K. Smith, MBA, of Blue Cougar Press of Petaluma, CA has compiled 15 years of his experience in the tax trenches in authoring his latest book *HELP!!! I OWE BACK TAXES! How to Make a Fast, Safe & Cheap Trip to the Tax Castle*.

He has seen it all. Examples: a tax payer in her sixties who had not filed taxes in 30 years, a self-employed carpenter who hadn't filed taxes in five years and had very few bookkeeping records, and a former pro wrestler who owed close to \$100,000 to the IRS!

Written in a style of a game, *HELP!!! I OWE BACK TAXES!* has 21 informative, sensitive, fun and, often, irreverent chapters to help the late tax filer or non-filer maneuver through the murky waters of the IRS system. The chapters include everything from taxes and bankruptcy, making an Offer-in-Compromise, and tax issues for people in recovery. The book is down-to-earth and easy to read.
